10.16.2020

{THE fall SALE} that has grown to be Montana's one of a kind and highly anticipated Angus Events.

Welcome to our 4th Annual Female Sale! Every year we look forward to having the opportunity to showcase our programs to you in one of the most elite sale locations Billings has to offer, the Historic Downtown Billings Depot! The crowds have been unbelievable, and we are forever thankful.

Please join us on
October 16th at 7 pm
for this year's event!

RANCHING
an American Dream
MONTANA

Cattle from Montana are respected. They are “made to work” and they are made to last, and I believe that is **‘because they are developed by breeders who make their living at it. There absolutely is a difference.’**

Cattle from Montana are true breeding cattle. The foundation of pedigrees bred here in the state are many of what carry today's breeding decisions in diverse scenarios across the country.

It's no secret that some of the greatest cattle have derived from cow families in Montana, whether it be the greatest Angus AI sires of all time or some of the winningest show pedigrees, that are STILL winning.

There are some great opportunities in this sale! Meet me in Montana.

- One of the most elegant females on the Ranch! The beautifully designed, Pine Coulee Forever Lady A39 is an exceptional donor. The complete female.
- A39 continues to produce what we love, an attractive look, whether it be bulls or females! A39's natural bull calf was the high seller in our 2016 Pine Coulee Bull Sale to Larsen Ranch Angus. We hit the jackpot with her on the female end of things too! Her daughters look just like her. Two of them have sold through this sale. They were some of the more alluring phenotypes we had to offer. Her calves born in 2020 to Bravo and Resolve are extremely good!
- Along with her feminine eye appeal, she has an excellent udder, and great feet.
- Her dam, Y20, is a full sister to Pine Coulee Forever Lady Y21 that sold into Canada.
- BR 5@97, WR 5@103, YR 4@102. Her last 3 flushes she averaged 11 frozen embryos with a low of 7.
- Open, sells with bull calf at side by TAR Motive 627 [18559455], DOB 7/30/20, BW 77

- ⌘ This is the type of cow that you can build a herd around. We debated hard about letting her go!
- ⌘ Beautiful headed with a lot of style. Her offspring are nicely patterned and black as coal.
- ⌘ Pine Coulee Forever Lady Z805 is a flush sister to Pine Coulee Forever Lady Y21 that sold into Canada in the 2017 LBT sale. Her natural calf in 2019 was the 3rd high selling bull in the 2020 Pine Coulee Bulls sale and the highest selling Bravo calf. If you have seen any of those, or have been to Pine Coulee, you will know exactly how impressive her calves are. Flushed twice and froze 10 each time.
- ⌘ Open, sells with bull calf at side by Coleman Resolve 7219, DOB 6/14/20, BW 83

Pine Coulee Bravo G390
Son of Z805

Pine Coulee Forever Lady Y21
Flush sister to Z805

3 *Pine Coulee Pick of the "Entire" heifer calf crop!*

This is the first time in history we have offered pick of our heifer calves! There have been years of building this phenotype matched with mothering ability at Pine Coulee Angus. A promise we can make is that our cows will last. We are not trend chasers in the breed, we focus on feet, udders, milk and fertility with calves that record practical weights. We DEMAND a look, cattle that are attractive with enough muscle, shape and rib.

Over the years there have been a lot of Angus breeders that have purchased females that have produced their sale features. Look for the brand.

The opportunity is yours.

4 Green Mountain Angus Heifer Calf Pick

Green Mountain Angus Ranch was started in the early 70's, we are 4 to 5 generations into this, and that is why we get the consistency and cattle that breed true.

We have around 1100 mother cows which are based on 3 main ranches located at Ryegate (headquarters), Musselshell and Flatwillow near Grass Range.

This year we are offering pick of the entire group of natural heifer calves born spring 2020!

- Get up close to this one and you will be blown away! Massive in her makeup yet flows nicely through her neck and shoulder, something we all want phenotypically, but it is difficult to make. She has the hip that a herd changer needs.
- This is the type of cow that has helped us construct a cow herd to our standards. We love this cow, we will be putting in embryos out of A58 prior to sale date.
- Pine Coulee Everelda Z58 is a member of the Sitz Everelda Entense 1905 family. Her dam, U44 was a great Onward daughter that consistently produced one of our top calves. Z58 is doing exactly the same.
- BR 5@102, WR 5@103.

- Take a good look at this one and be sure to check out her video! She was one of the most loved cows in the pasture and in the picture pen. Pine Coulee Blackbird A45 is a beautifully made daughter of Resource. She is definitely the front pasture kind, you will want to look at her often. Long made, big hipped, and moves smoothly.
- Her heifer calf this year will be near the top of our replacements. With her design and pedigree you will love the daughters she produces. Her dam originated in the Beartooth Ranch herd.
- Due 1/2/21 to Pine Coulee Drifter G392

Pine Coulee Black Annie G28
Natural daughter of B87

Pine Coulee Black Annie Y96

Pine Coulee Black Annie U7

Pine Coulee Black Annie U10

Flush sisters to B87

- ⌘ Pine Coulee Black Annie B87 is a flush sister to U7, one of the very best cows to climb the hills at Pine Coulee Angus. Other flush sisters all went into the donor pen for our customers including U10 and Y96, who both previously sold through this sale.
- ⌘ B87 has the potential to equal or surpass her sisters. Beautiful extension, with excellent feet and udder. She raised a set of twins in 2019 with the G28 heifer selling in that years LBT sale.
- ⌘ Reserving the right to one future flush of at least 4 transferable embryos.
- ⌘ Due 1/11/21 to Coleman Bravo

- 324 is another Juneau 807J daughter that has done such a great job at Pine Coulee Angus. Folks, you know how good 807J daughters are! With this type of look, she presents a VERY diverse opportunity when it comes to breeding decisions not only in the Angus breed but I believe in other breeds as well.
- This cow is elegant. She has nice hip, big rib, and long neck. You will love having her around, she is very quiet.
- 324 has an awesome Resolve heifer calf this year that we are keeping to replace her in the herd. Very solid, no holes pedigree. BR 4@103, WR 4@106, YR 1@112

Y5 has been a favorite since she hit the ground as a calf. She is a flush sister to the \$30,000 Pine Coulee Lucy Y4. She is the kind you just love to watch, she so sound and pretty on the go. She has a tremendous expansive rib with a beautiful head and neck and transmits these on to her offspring.

Her 2018 daughter sold as the high selling heifer calf to Reisig Angus and Patrick Southworth. Y5 is very fertile and has stuck to her first AI service every year. She averages 15 frozen embryos per flush with no flush lower than 14. When we sold her last year she had 6 natural calves with BR 6@100, NR 6@106, YR 3@105. Her 2019 Summit heifer calf was at top of our replacement pen.

Y5 was purchased in last year's sale by Thistledew Land and Cattle.

Musgrave Crackerjack

Due 1/9/21

Crackerjack was the top selling bull at the 2019 Musgrave Sale. They had identified Crackerjack early as the next step forward in their breeding program. His powerful yet proud look, awesome structure, and body density is blended with balanced genetic predictions to create a sire that's as well-rounded as you will find in the breed. This combination with A40 and Crackerjack could be very special.

Square B Atlantis 8060

- Due 1/9/21
- 032 was the lot 4 cow in the 2017 Ladies Of The Beartooths Sale and sold for \$30,000 to Northway Cattle Company in Canada. We felt so strongly about this cow that we purchased an interest back in this cow in 2019.
- This cow is without a doubt one of the best producing cows that H C Cattle has ever had. She earned her right to stand in the donor pen. We believe she will leave a great legacy with Pine Coulee and Northway Cattle through her offspring. She is sound, stout, huge bodied with an explosive hip and rib. We love her docility, and above all, love the predictability that she brings to the table.
- Square B Atlantis is an impressive individual and can be seen at Origin or at Beartooth Angus near Red Lodge, MT. Big potential in this pregnancy.

Coleman Resolve 7219

- Due 1/9/21
- We purchased an interest in Coleman Resolve 7219 after viewing him at World West in early 2019. His calves on the ground this year have been stamped just like we were hoping. Very balanced with a ton or rib. The heifers look to make great cows. You are going to like the calf out of this mating.

Due 2/4/21

- This could very well be the best mating of them all. U7 would be in the discussion regarding the best cow ever raised at Pine Coulee Angus. Closing in on a quarter million dollars in progeny sales. Her sons and daughters consistently top the sales. She passes on a ton of muscle and style with very good feet and excellent disposition. Look at the picture of her E9 heifer calf, and I think you'll agree. She has 5 natural calves with BR 5@96, NR 5@110, YR 4@108.
- Summitt is a unique sire that combines two of the most prolific and well-known cows in the Angus breed, S A V Blackcap May 4136 and Coleman Donna 714! Summitt is dense bodied and masculine headed, with an expansive rib cage and exceptional muscling.

A black cow stands in a snowy field, its back covered in a layer of snow. The background features snow-covered mountains and a few trees under a clear blue sky. The word "Embryos" is written in a large, blue, cursive font in the upper right corner.

- ⌘ X64 is one of my favorites! Her picture is exactly like she is every day. She is the cow I envisioned making when I bought her mother, Sitz Everelda Entense 2198 for \$33,000 years ago. We sold that cow with calf at side (maternal sister to X64) for a combined \$54,000.
- ⌘ ½ interest on X64 sold for \$25,000 as the Lot 1 cow in the inaugural 2017 Ladies Of The Beartooths Sale. She has GREAT cows behind her. She carries tons of capacity, has a beautiful udder, and really good feet. There has been numerous successful matings out of X64 with the most recent recorded this spring, her son, Pine Coulee Drifter G372, our top selling bull to Koupal Angus.
- ⌘ Bar-E-L Natural Law has been one of the hottest Angus sires on the scene. His semen has been very exclusive and yet his daughters seem to always find their way to the top in all programs that have them. Natural Law is truly a maternal machine as you can see in the pictures of his daughters and his son, Executive Decision.
- ⌘ Natural Law adds body mass, with tons of muscle, bone, excellent foot structure, plenty of scrotal, all the while is super athletic in his movement.
- ⌘ 6 IVF embryos, guaranteeing at least 2 pregnancies.

- ⌘ A look, unmatched. Y5, no matter how many times you look at her, you will want to keep looking! The best part, look at her daughters! F20 (full sib to embryos selling), a young Donor at Reisig Cattle who sold through this Sale two years ago. Y5 stamps her progeny with style, a beautiful head and neck, great leg shape and soundness.
- ⌘ Fertility is key! Y5 has stuck to her first AI service every year. She averages 15 frozen embryos per flush with no flush lower than 14. When we sold her last year she had 6 natural calves with BR 6@100, NR 6@106, YR 3@105. Her 2019 Summitt heifer calf was at top of our replacement pen.
- ⌘ She is a flush sister to the \$30,000 Pine Coulee Lucy Y4.
- ⌘ Y5 was purchased in last year's sale by Thistledew Land and Cattle.

- As breeders, it is not every year that we have one like this to offer.
- She is out of one of our favorite young cows, making her a true highlight. She is complete. 166H stands on a wide square base with loads of muscle, wide sprung in her ribcage, yet with all of that power she does not sacrifice femininity! She is extremely attractive in her profile and extended in her front end.
- Out of an exciting new sire, PM Executive Decision and a top cow, makes 166H very exciting! We believe this one could do great things in the near future and beyond.
- Retaining 1/2 interest

- HC Breeders can really appreciate cattle like this.
- HC There is nothing better than raising a heifer calf with so much cow appeal that people cannot help but to ask... "what is that one?" She has been popular with visitors. 170H is stout featured yet feminine headed and she is extremely good legged with plenty of bone. She moves with confidence with the look of a cow!
- HC Her dam, 121C produces one of our top calves every single year. 121C is a McCumber Rito Rolette daughter. Rolette daughters are making incredible cows, they are moderate with an ideal udder and feet. We kept her heifer calf last year and decided to sell this year's, even though we would love to keep her!

- HC A very complete heifer out of the 1182 cow that sold in last years sale as lot 4! In her footnotes we said that there was 'PREDICABILITY' in the cow, that she produces cattle with body, length and over all mass. And here it is again in 135H! When we chose the Resource x 1182 mating, we had this type of offspring in mind. It worked!
- HC Expect 135H to have great udder quality as a cow.
